

Tour Key Figures

Arrive: 26.04.2008 in Dreisbach/Saar
(next to Saarbrücken/Luxemburg)

Depart: 04.05.2008 from Treis-Karden
(near Koblenz)

How to get there?

Airports are Frankfurt Main, Frankfurt Hahn, Luxembourg and Saarbrücken.

Trains stations: Saarbrücken, Trier and Koblenz
We are considering shuttle services.

Rowing

We will start on the lovely little river Saar that makes its way through two locks towards the river Moselle until we reach Trier, shortly after the two rivers meet.

Later on we will follow the Moselle along its meandering course through the wine hills on the way down towards Koblenz, again passing through some locks. No need to worry, there are not many barges on the river but nevertheless it's a European Waterway and we have to stick to the rules. The Moselle has some current, depending on the water level.

We will row almost to its confluence with the mighty river Rhine. It's a lovely landscape decorated with numerous vineyards, you will not only see the wine growing, you will get a tasting as well.

Of course you will see and visit impressive castles, and guided tours are planned at historical places like the former Roman City of Trier. Maybe you will meet an old Roman you have met before?

Rowing distance is about 180 km in six rowing days. The daily distances are moderate and will vary depending on the land program.

We plan to have one non-rowing day.

Boats: our current plans are for Fours and Church Boats.

Accommodation

We will use a rowers training center and modern Youth Hostel at the beginning and later on two hotels of a good standard.

Estimated Cost

We are eager to make this offer to you for € 800,-
But our cost estimation isn't finalized yet.

Deadline for your entry

We would appreciate your entry form by December 28th 2007. Please use the FISA Entry Form and send it via your National Rowing Federation to
